MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Development - Overview :

The GDP is growing at a rate of about 7.2% and with this high growth, it is expected that your company will also grow in future. The BSE Sensex has crossed the 15000 mark during the current year, which shows that there will be substantial growth in the equity investment and finance companies. With this growth, your company is expected to see a bright future.

We witness that NBFC sector, in India, are facing stiff competition from different banks and financial institutions. The cost of funds of the banks is lower as compared to NBFC's. Not only this, they have a very wide network and huge capital base which makes them more attractive than NBFC's. However as the market is volatile in nature, the long-term growth of capital market calls for a matter of concern.

Opportunities, threats, risks and concerns :

Your company sees opportunities in the market with existing and new customers. Your company has dedicated accounts team to focus on each customer. Rising input costs and volatility in material, energy are some of the key challenges that your company is addressing by specific initiatives for each.

There is a major threat coming from Banks. Banks have reduced the rate of interest; this has reduced the spread, thereby reducing the margin. The volatile nature of market also poses another threat. Your company also faces stiff competition from Nationalised, Foreign and Private Sector Banks as they provide loans at a very low rate of interest.

Your company is exposed to external and internal risks associated with the business. It is exposed to strong competitive pressures and financial risks from changes in interest rate, economic cycles etc.

Your company is taking steps to ensure the effective risk management by maintaining a prudent and commercial business practices and a comprehensive risk management policy.

Future Outlook :

Your Company intends to invest in businesses related to infrastructure, telecommunication, software etc., in the coming years since it sees good prospect in these areas. It would definitely try to establish itself and remain as a strong player in the finance industry. With the Capital market expected to be in a better mode than the previous few years and with our efforts we can look forward to a prosperous year for the Company.

Internal Control Systems and their adequacy :

The Company has in place adequate internal control systems and procedures commensurate with the size and nature of its business. These procedures are designed to ensure :-

- That all assets and resources are used efficiently and are adequately protected,
- That all internal policies and statutory guidelines are complied within letter & spirit, and
- The accuracy and timing of financial reports and management information.

Material Development in Human Resources / Industrial Relations front number of people employed :

The Company believes that people are the key ingredient to the success of an organization. Looking after people makes good business sense because, if people are motivated, service excellence will follow. The Company recognizes the importance and contribution of its Human resources for its growth and development and is committed to the development of its people.

Financial and Operational Performance :

The financial statements have been prepared in compliance with the requirements of the Companies Act, 1956 and Generally Accepted Accounting Principles (GAAP) in India.

Cautionary Statement :

Statement in the Management's Discussion and Analysis describing the Company's projections estimates, expectations or predictions may be forward looking predictions within the meaning of applicable securities laws and regulations. These forward-looking statements are based on certain assumptions and expectations of future events over which the Company exercises no control. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. Actual results may differ materially from such estimates, projections, etc. whether expressed or implied.
